City, which culminated recently in a such having a fair assortment. All that glorious victory. A petition was goton the first day of December. This exquisite, movement was the development of a bappy conception on the part of its ing of pottery and the weaving of silk,

No more midnight reveling at the saloons of Johnson City after the first extends even to counterfeiting European saloons of Johnson City after the first day of December. God speed the day when they shall be closed both day and night and closed forever. Onward! ye good people of Johnson City! stop not, falter not, until the accursed rum power shall be crushed out, and the reproach upon our civilization wined out forever.

Organization is the Life of Re-

To effect any great reform there will accomplish more than five times that number, relying upon independent, individual action. What we want in this grand Temperance movement is concert of action, united, consent is consent in the second in the consent in the centrated work. Many good temper- the consumer. ly systematized. All religious denominations know that system, discpline and some bond of union are absolute avenues of city trades, and retail avenues of city business. ly necessary to their very existence, to say nothing of aggressive work and future growth,

perance organization in our town, the Johnson City Division, Sons of Temperance, which meets every Tuesday ters of the Hindoos. The Buddhists, evening, at 6:30, for work and coun- aussulmans and Brahmins retain their sel. We want every well disposed man and woman in the city and vicinless, questioning spirit let in upon them ity to join us. As Moses said to Ho- by their conquerors. This slow dawn-

Our Division is now in a flourishing Premacy.

The character of the Hindoo is a curtcondition, and among its membership are enrolled many of our most substantial men and women. We flatter ourselves that some good work has already been done, and we hope to do peculiar to this strange people and in this dispersion of their strength, resulting from immemorial religious divisions. say, come and join us. We need your it would seem to follow, therefore, that moral support, we need your counsel, if the influences alluded to have tended

An Enthusiastic Temperance Meeting.

An enthusiastic temperance mass meeting was held at Oak Grove School
House, on last Sunday afternoon. J.
W. Crumley, Esq., presided, opening
the exercises with some appropriate
and stirring remarks. Effective, pointed speeches, bristling with logic and wit were made by J. A. Cargille, Rev. blown in the glass. "R. & T." are the Mr. Maupin and Isaac Harr, Esq., alter which a Constitution for the organization of a Temperance Alliance was submitted by the writer, and a from forehanded young men. test vote taken which resulted in a unanimous expression of approval, but on account of the lateness of the but there is a charm in uniqueness, even hour, the organization could not be if it be bristling with credities, procompleted and the meeting adjourned vided it present something worthy and completed and the meeting adjourned significant. Carlyle sometimes clutches until next Sabbath afternoon. Let as a thought, as if by the throat; and you many of the friends of the good cause can almost hear the poor thing wheeze as can possibly attend be on hand. 2 under the pressure. He makes one feel a little dread of his next sentence. RUM POWERL Freedom from strong drink and a higher standard of manhood is what we mean.

President Clevelind Declines to Kiss a Baby.

WASHINGTON, November 20 .- There poor lions. was an even hundred callers at the Slang, profoundly considered, says

How the Celestials Are Succeeding in Plus Iness Competition with Foreigners.

[Cor. New York Tribume, There are in Hong long a few lines of business, which the Chinese have not yet invaded. I have already mentioned ome of them. There are no Chinese JOHNSON CITY IN THE PORMFROST. apotherny shops in Hong Kong where A few weeks since, a grand move-ment was inaugurated in Johnson of the Chinese city, I have seen one

ten up and signed by about three-there is a young chinaman who, having fourths of our voting population re- worked seven years with an American questing the city fathers to pass an dentist, he displayed his shingle and is ordinance closing the liquor saloons practicing deutistry in all its branches, with tolerable success. I have seen from dark until daylight. Another specimens of his work, and I may say I petition to the same effect was circu- have seen worse in America. There is lated among the ladies, receiving the no lack of Chinese photographers either signature of nearly everyone to whom cluding portraits of all sizes and views it was presented. These petitions of Chinese scenes, which are well execuwere presented to the board of Alder- ted and meet with a ready sale to tourmen and after a pretty hard fight an ordinance, with heavy populties passed a final reading and will take effect

originaaors, whoever they may have been, all honor to them, as well as the been, all honor to them, as well as the one hundred and forty-five voters who so promptly affixed their signatures to the petition. God bless the noble women of Johnson City who gave the strength of their moral influence in support of the movement. All honor, too, to our young, but heroic city attorney, who plead so valiantly and cloquently for the right. All honor to the three Aldermen who stood "like a stone wail" in defence of a higher their influence in a competitive way, it is not necessary now to speak. The Chinese build the houses in which the foreigners live, furnish and decorate them and they clothe feed and serve the occupants themselves. The pleasure of being waited on by a retinue of Chinese ser ants, the dolee far niente of life in a summer land, the service homage o 'cred by an apparently subject race, create an atmosphere of self-satisfaction, a kind of glamour which their influence in a competitive way, it is not necessary now to speak. The stone wall" in defence of a higher the real rulers and the industrial sub ection of the white race, which is inevitable and not distant.

vastly inferior to the foreign goods, but, as the price is as low as the quality is poor, no one can reasonably complain. The knives and razors often bear very distinctly the brands of Shelleld firms whose names are household words wherever the English language is spoken. These kni es are sold for 5 or must be an organized and systematic o cents each, while the rasons. Sheffield effort. A dozen men well organized brand and all, can be bought for 15

competition, they can be furnished to ance men say they can do just as much for the cause outside of any organization as they can inside, but experience, reason and observation all go to show that this position is untenable. All shrewd politicians know able. All shrewd politicians know able. All shrewd politicians know are consumer.

To hasten their discomfiture, the English colonists are educating the Chinese in their public schools, and other places that require intelligence and a certain amount of education. The result will be that, speaking English fluently and easily achieved. that to be successful their forces must quiring the necessary amount of combe organized and their work thorough- mercial knowledge; they will soon fill
